CHASDEI CHASHI L'KALLAH
Furnishing Kallahs' Homes with Dignity

CHASDEI CHASHI L'KALLAH STATS

All *Set* up.

RABBI & MRS. ZEV & CHASHI WEISS A"H lived with Hashem, doing everything together to do His will. United in their aspirations, they embraced the values that became the framework of a loving, warm existence for us children. Together, they built a fortress of a home immersed in *simchas hachaim*, *ahavas HaTorah*, *avoda* and the purity of unassuming *gemilas chasodim*.

Theirs was a lifestyle bent on *emuna*, and a quiet synergy of kindness and caring. It was a heartfelt partnership that placed a focus on the needs of others. Together, they looked beyond their personal sphere - seeking any opportunity of *chesed*. Together, they seized any beckoning moment to alleviate the pain of the needy, lonely, sad and otherwise overlooked.

When serious sickness suddenly struck both at a young age, the spirit of cohesive trust in Hashem remained unmarred. Together, they battled any trace of despair. Steadfast in their *emuna* and *bitachon*, they passed down a powerful legacy of strength to us children, giving us the faith and courage to beseech Hashem for their *refuah*. Ultimately, it became a powerhouse that we tapped into after their untimely *petiros* as well, giving us a bold fortitude to go on with life with the same inherited *simchas hachaim*.

We lost our parents at the prime of their lives. Nonetheless, the joint legacy of love and caring kindness continues. Together,

INCREDIBLE *ZECHUS*.
